A10177 (Purple)	

Washable • Not made with natural rubber latex

Support and massage for the wrist

Wrist Cushion is filled with massaging ergoBeads®. The cushion is uniquely designed for comfort and can be shaped for easy maneuvering of the mouse, while comfortably supporting your wrist and forearm to eliminate stress.

ergoBeads are specially designed plastic beads that glide comfortably against your skin. This creates a massaging effect to help increase blood circulation to help promote healthy muscle tissue.
